Your examination-day checklist

Use this worksheet with your current official examination instructions. Keep it for your own planning.

Exam: _____ Date: _____

- [ ] Recheck the confirmed exam code, language, date, time and location or delivery instructions.
- [ ] Prepare valid identification that matches the booking and meets the provider requirements.
- [ ] Read the arrival, permitted-item and calculator instructions for this appointment.
- [ ] Check travel arrangements or any explicitly offered remote-delivery requirements.
- [ ] Keep the booking reference and approved adjustment information accessible.
- [ ] Plan rest and a manageable review session before the examination.
- [ ] Follow the invigilator instructions and report technical problems promptly.
- [ ] Retain the official result and follow the provider’s next-step instructions.

Questions to confirm with the examination provider:
